Libby 001

CONSENT FOR ACCESS TO PROPERTY

Owner Name: City of Libby, Montana  
Location of Property: Libby, Montana  
Address: Corner of Highway 37 and Thomas Street. The legal description for this property is attached.  
Relationship to Property: Owner  
(owner, tenant, etc.)  
Phone: (406) 293-1278 (City of Libby Administrator)

I, the undersigned, am the representative of the City of Libby, Montana, which is the owner of the real property at the location described above. I have authority to sign this Consent for Access on behalf of the City of Libby. The Environmental Protection Agency has requested entry and access to this property pursuant to its response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA or Superfund) as amended, 42 U.S.C 9601 et seq.

On behalf of the City of Libby, Montana, I consent to officers, employees, authorized representatives, and authorized contractors of the EPA entering and having continued access to the above referenced property under the conditions set forth in the August 4, 2011 letter from EPA requesting access and for the following purposes:

1. Conduct any and all remedial activities required to implement the remedy selected in the Record of Decision for the Libby Asbestos Superfund Site, Operable Unit 1, dated May 2010 and as described in the Remedial Design, to be finalized in August, 2011.
2. Conduct a post construction risk assessment following completion of remediation and restoration activities. The risk assessment will include activity based sampling for exterior areas and clearance sampling for the David Thompson Search and Rescue facility.

This written permission is given by me voluntarily with knowledge of my right to refuse and without threats or promises of any kind. I certify that this Consent for Access is entered into voluntarily and constitutes consent and grant of permission for access to the property by officers, employees, representatives and authorized contractors of the EPA at reasonable times and on the conditions stated.
